a Volcano ATV Tour is one of the best adventure activities in Guatemala. Pacaya is an ano standing at approximately 2,500 meters above sea level. The area is full of green ocks, and amazing landscapes. You have stunning views of the Calderas Lagoon and other volcanoes such as Agua, Fuego, and Acatenango as you ride your ATV.

On this ATV tour to Pacaya volcano tour from Antigua, we begin our ride at San Vicente Pacaya, passing through scenic trails, small villages, and off-road paths. You will also get the chance to hike on top of old lava flows and get as close as possible to the volcano. During our time, you'll see spectacular views, pass through charming villages, and even ride over volcanic sand and lava fields inside a private plantation.

This Volcano ATV tour in Antigua is the perfect combination of an adventure and sightseeing that is ideal for travelers who want to combine an exciting ATV ride with a volcano hike for an unforgettable experience in Guatemala. Note that this tour doesn't enter the San Vicente Pacaya National Park.

Free Cancellation – applies if canceled 48 hours before the tour time (local time).
